As the new principal, I greet you in the name of our Lord and Savior, Jesus Christ! CUS is off to a good start for 2012. Students are more engaged in their classes, learning is becoming more evident, and the love of God is being shown more and more at CUS. We have a great school, great staff, and things are getting better and better. Parents, in order for students to make continued progress academically and behaviorally, please inquire information about your child's behavior and academic performance on a weekly or biweekly schedule. You can do this by communicating with teachers. This is very important, because we need your involvement to move our school in the right direction. With your support and our commitment, each child can and will succeed at CUS. If you have any questions about our new behavior policy, please contact me or Mrs. Mimis.

In Christ,  
Dr. Loblely, Principal

LUMIN schools are currently seeking candidates for substitute teaching. Any person interested must have a 4 year degree from an accredited college.
