Dear CUS Families,

Spring is here! With Spring comes flowers, sunshine and the need to enroll your child in school. Choice requires every parent to re-enroll their children in the school of their choosing every year. This year CUS already has a waiting list for 6th grade. As of April first, we open CUS doors to everyone and current families will not have priority. Please call Mrs. Mimis for an appointment!

We've had a great month at CUS. Families enjoyed a wonderful Black History Program, all you can eat spaghetti night and Lutheran Schools week. Our students loved roller skating and participating in the "Take Pride in Your School" poster making contest.

Our dismissal has gone very smoothly since we've gone indoors. We will continue to dismiss students from our chapel in grades k4-5th. Our middle school students will go outside for dismissal. We don't officially dismiss until 3:15 so if your middle school student is ready a little earlier this may not be the case for the younger children. We understand that some of our parents have been waiting for a few minutes but please bear with us as we aren't ready for students to leave until 3:15.

Enjoy Spring break and have a Blessed Easter,
Mrs. Taylor

Mrs. Mimis is accepting appointment for

Show Your School Spirit
Order your spirit wear today!
We will be putting in another order for
spirit wear soon. Order forms are available
in the school office.

Helping Haiti

Our school raised \$400.00!
Second grade raised the most with a total
of \$114.00. Way to go 2nd grade, you earned
yourselves a pizza party.

Door Decorating

The 4th grade class was the winner of the
Door Decorating for Black History Month.
They will be taking a field trip to the
museum later this month. Congratulations
on a job well done!

Congratulations to all CUS basketball teams for a
successful season. All teams displayed excellent
sportsmanship, respect, and increasing their
basketball skills. A special congrats to the Boys A
team for winning the consolation championship
at both the Grace and Northwest Tournaments.

Thank you Parent Council for hosting the Spaghetti Dinner and Door Prizes!

Featured Class:

In 5th grade we have been very busy. We just finished working on state projects where each student picked a state and did research on that state to write a five paragraph essay. They turned out awesome! We have also been working on getting things ready for the Peace Assembly. We are doing a skit and making a set and all of that good stuff. The 5th graders have been working extremely hard on this and hope to put on a good performance. Also, we have been working on long division. This is a concept that is definitely coming along well with our class.
